*Bylaws Section 2.02 Voting. Each member shall have one vote on any measure upon which voting members have voting rights. Absentee ballots will count toward quorum; they will be in writing and signed by the member. Absentee ballots will be accepted prior to the call to order at the annual meeting. Absentee ballots will be relevant only for items announced prior to the annual meeting and not for any items that are suggested from the "floor." Candidate nominations from the floor will be allowed only for positions with no candidate running for that position.*
